bidk

We believe in keeping our collections vibrant and interesting, which is why we introduce 300-500 fresh items every 6 months. This print catalog – our first in 5 years! – showcases these new assortments for 2017. Welcome!

## HISTORY/PHILOSOPHY

It started with a Dutch étagère in 1990. René Barreveld knew he had stumbled upon something special for American buyers, and began importing the intricate scroll-work shelves. From there, a company blossomed, joined later on by a contemporary offshoot, DK Home.

In 2015, the sister companies Barreveld International and DK Home merged to form BIDKhome, but continues in its same mission to provide both traditional and contemporary European products for the home, garden, gift, and the hospitality industries. However, this nominal change also signaled a ground-up rebuilding of our technology, staff organization, show design, and logistics. In 2017, BIDKhome remains a family-run wholesale business. This year, we continue our partnerships with European companies while developing new ones. In our own sourcing from 25 countries, we have bolstered our bread-and-butter collections, and renewed our focus on finding products with special attributes such as exclusivity, design pedigree, and production story. Whether you're a retailer, designer, or in the hospitality field, we look forward to helping you to create beautiful spaces that inspire. Please do not hesitate to contact us with any questions or concerns.

# La Chamba

La Chamba earthenware pottery is hand-crafted according to traditional methods using local clays. The name derives from the only village in which this pottery is produced, situated along the Magdalena River in central Colombia.

Practical and elegant, La Chamba pottery is suitable for serving or cooking and can be used in the oven and microwave, as well as over open flame. The dark color of the pottery is due to the smoking process. No glaze layer is applied; rather they are painstakingly burnished by hand with stones. Please note that when heat is applied, the bottom surface may change color to the original red clay.

# Recycled Pots & Accessories

Our newly updated our selection of Danish-designed, Sri-Lanka-made pots, vases, tabletop accessories, and garden products.

This collection is the result of a socially responsible cottage industry program in which underprivileged women are paid a fair wage for to produce piecemeal products from home. Part of the careful finishing of these items is a description of the program.

The items are constructed using sustainable materials including recycled paper, plastic and aluminum, sand and latex, cut-offs of mahogany from the furniture industry as well as other natural materials. The vessels are 100% water-proof, and 100% bio-degradable.

## **HOW TO READ THE DIMENSIONS**

Height, Width, and Depth are measured in Inches, rounded to the nearest tenth. Weight is measured in Pounds, rounded to the nearest pound. Additional measurements available upon request. We are happy to offer a drop ship program for all customers for \$10.00 per order. Ecommerce customers, please contact us for further information.

## **ORDER QUALIFICATIONS**

BIDKhome is a wholesale company and sells to the trade only. By submitting your order, you are verifying that you are a legitimate business and are recognized at the federal and state level to make tax-exempt purchases for the purpose of resale.

## **BACKORDERS**

We strive to ship every order complete, but this is not always possible. **All backorders will ship unless cancelled by the customer. It is highly recommended to cancel backorders in writing.** When your order is ready to be shipped, any item not available will be placed on back-order unless instructed otherwise. Please note that your order will be shipped as complete as possible, but it is not suggested to request complete shipping as this may delay delivery of your order. Backorders will be shipped at the same shipping rate as the total initial order.

## **CLAIMS**

Damages, shortages, and defects must be reported in writing within 5 days of receipt of goods. All damages must be documented with a photograph. If there is any damage to the outer packaging of the shipment, it is important to describe in writing the damage on the delivery receipt or electronic clipboard of carrier. If the shipment is signed for in good condition, but concealed damage has occurred, you must contact BIDKhome within 3 days to report the damage and request an inspection of the damaged goods. Please keep all original packing for 5 business days after damage is reported.

## **PRODUCT IMAGERY**

Product imagery remains the property of the BIDKhome unless otherwise specified. Elements contained within our catalog or website can not be reproduced, copied, modified or used in any manner without the express permission of BIDKhome. Please contact [customerservice@bidkhome.com](mailto:customerservice@bidkhome.com) for permission to use images for any purpose. High resolution files are also available.

## **PRICING**

All Prices herein are wholesale, in US Dollars, and subject to change without notice.

## **DROP SHIPPING**

We are happy to serve our ecommerce customers with a drop-shipping program. Please contact us for further information.

## **MINIMUM ORDER**

There are no minimum requirements for ordering. However, please note that case packs are indicated as these are the safest packaging level for shipping. Orders under \$800 are shipped at the actual shipping rate (determined by the carrier), which may constitute a higher-than-average percentage of total order value.

## **PAYMENT INFORMATION**

All first orders are shipped under prepaid conditions (credit card or wire transfer). Credit cards are charged at the time of shipment and only for the items shipped. Net 30 day payment terms may be established after the first order and only upon approval of credit. To apply for Net 30 day terms, please download the credit application, complete it in its entirety, and email it to [customerservice@bidkhome.com](mailto:customerservice@bidkhome.com) or fax to 845.265.6389. Net 30 terms are only available to domestic customers. All international orders must be shipped under prepaid conditions. Delinquent accounts are subject to interest charges and revocation of net 30 terms. Delinquent accounts that are submitted for collection will incur an additional 20% collection fee and all associated legal expenses.

## **RETURNS**

All returns must be authorized by BIDKhome with the issuance of a Return Authorization number. Any items returned without a Valid RA# on the outside of the carton will be refused and all shipping charges will be the responsibility of the sender. Any unauthorized items that are returned with authorized items will not receive credit. If an item is reported to be defective and upon authorized return, is deemed by BIDKhome to be of first quality, then a 20% re-stocking fee and applicable shipping charges will be applied. Returns for first quality merchandise are not accepted.
